## LETTER OF CONTEMPT

Since we have sent three Summonses to Mrs. Lonna Kin at the request of Mr. Meir Kin to submit to Beth Din and settle their differences, and

Since she is refusing to litigate some of the issues in front of Beth Din, and already has a date to litigate in the civil courts

We feel an obligation to announce to the public that

**Lonna Kin**

**is a Mesareves  
(in contempt of Beth Din)**

and the Halocho in Choshen Mishpot ס"י י"א, and in Yoreh Deah ס"י של"ד dectates how to deal with a MESAREV.

Whoever has the ability to influence her to appear in front of a Beth Din, with accordance to Halocho, will be greatly rewarded by the Heavenly Beth Din.

We affixed our signatures this 21st of Adar II 5765. ( March 31, 2005)
