VIA CM/ECF

The Honorable Laurie Selber Silverstein
United States Bankruptcy Judge
United States Bankruptcy Court for the District of Delaware
824 North Market Street, 6th Floor
Wilmington, Delaware 19801

Re: Delaware BSA, LLC, Case No. 20-10342 (LSS) (Bankr. D. Del.)

Dear Judge Silverstein:

Cole Schotz P.C. represents Slater Slater Schulman LLP ("SSS"), counsel to a number of abuse victim claimants in the above-referenced matter. We write in connection with the letter [Case No. 20-10343 (LSS) Docket Nos. 13348 (sealed), 13349 (redacted)] (the "Letter") filed by claimant J.W. ("Claimant") on December 29, 2025, a client of SSS.

The Letter was originally scheduled to be heard at the March 11th hearing (the "March Hearing") in the above-referenced matter. As Your Honor is aware, SSS was unable to identify Claimant prior to the March Hearing. Claimant did not appear at the March Hearing and the Letter was continued to the hearing currently scheduled for April 14, 2026 at 10:00 a.m. (ET) (the "April Hearing").

After the March Hearing, SSS identified Claimant and learned that, on February 13, 2026, after Claimant filed the Letter, Claimant submitted a *Certification of Claimant* (the "Certification") to the Boy Scouts of America Settlement Trust. Attached hereto as Exhibit A is a copy of the Certification which confirms Claimant no longer wishes to terminate SSS's representation of him in this matter. Based on the foregoing, SSS believes the Letter should be treated as withdrawn for the purposes of the April Hearing.

Counsel remains available and will be in attendance at the April Hearing should Your Honor have any further questions regarding this matter.

Respectfully submitted,

/s/ Melissa M. Hartlipp

Melissa M. Hartlipp

EXHIBIT A

Certification of Claimant

CERTIFICATION OF CLAIMANT (SST- [REDACTED])
(Regarding Timely AIR Submission, Mailing Proof, and Withdrawal of
Maroon Form)

I, [REDACTED] certify and state as follows:

1. I am the claimant in this matter. I submit this Certification in support of my Reconsideration Request to the Boy Scouts of America Settlement Trust (the "Trust").
2. This certification is intended to (a) authenticate my timely submissions responding to the Trust's Additional Information Request ("AIR") dated December 11, 2025, (b) establish that my AIR response and related materials were timely transmitted to the Trust but do not appear in my portal record, and (c) confirm that I wish to be represented by Slater Slater Schulman ("Slater") in this matter. To the extent I previously transmitted a maroon form during the AIR period, I am withdrawing it and request that it be disregarded.
3. On or about December 11, 2025, the Trust issued an AIR requesting additional information regarding alleged material discrepancies between my Proof of Claim and my Claims Questionnaire, including the type of alleged acts of abuse suffered, the abuser(s) name, and the frequency of abuse.
4. I completed the AIR in detail. A true and correct copy of my completed AIR response is attached as Exhibit A (along with my now revoked Maroon Form).
5. During the days following the AIR, I had communications with Slater regarding the AIR and the submission process. At that time, I expressed that I wanted to terminate representation.

6. I was advised that my completed AIR response needed to be timely submitted to the Trust, and I therefore submitted it directly to the Trust.

7. I timely mailed to the Trust, on December 26, 2025, my completed AIR response by regular mail and by certified mail, to ensure receipt.

8. True and correct copies of my mailing proof and showing my transmission of the AIR response to the Trust are attached as Exhibit B.

9. During the AIR period, I also transmitted a maroon form while communications regarding representation were ongoing. I am withdrawing and revoking that maroon form and request that the Trust disregard it.

10. I understand that despite these timely submissions, the Trust issued a claim notice dated February 5, 2026 that did not take my AIR response into account, and a review of my portal record does not reflect the AIR response among the documents associated with my claim.

11. I certify that the AIR response attached as Exhibit A is the same AIR response I completed and transmitted as described above. I transmitted the AIR response in good faith and in a timely manner in response to the Trust's request for additional information.

12. I respectfully request that the Trust treat my AIR response and related materials as submitted and consider them in recalculating my claim determination. Any omission of these materials from the portal record is not due to any failure on my part to submit them timely.

13. I am withdrawing the maroon form. I no longer wish to terminate counsel, and I affirm that I want Slater to continue representing me in this matter through the

Trust process, including this Reconsideration Request and any follow-up communications with the Trust. To the extent any prior maroon-form submission could be interpreted as terminating counsel, I revoke and withdraw it. I request that the Trust proceed with Slater as counsel of record and disregard the maroon form.

14. I authorize my Slater to act on my behalf in connection with my claim, to continue to communicate with the Trust regarding my claim and these submissions, and to submit or re-submit the attached materials as needed to ensure they are included in the Trust's record.

I certify under penalty of perjury that the foregoing statements are true and correct.
